COVID - ENGELS

From Saturday, 19 December 2020, "Covid angels" will be on duty on the Goms cross-country ski run. Their task is to direct the flow of visitors and to control the observance of the hygiene and distance rules. The aim is to sensitise the runners and to avoid crowds.

The inspectors have the right to confiscate the cross-country skiing ticket and to issue a cross-country skiing ban in the event of a gross violation of the rules.

What is considered as a gross violation?

- Repeated refusal to comply with the measures. Even after friendly advice from the "Covid - angels" or the cross-country skiing staff.
- Refusal to wear a mask
- Groups of more than 5 persons
- Not respecting the allowed number of persons in closed rooms

We ask everyone to respect the concept and to inform the guests accordingly. If you have any questions, please contact the management: Anja Beivi, beivi@obergoms.ch or 027 974 68 68.
